

## Early Intervention (EI)

### *Meet Andrew*

Andrew receives Early Intervention (EI) services from the TuscBDD EI Team, and his mom wants you to know:

"Our EI team and The Play Project were the key to unlocking a fun-loving little boy! He loves to help cook and clean, race his cars and play outside. His favorite things are Blippi and mac and cheese. We are so proud of his progress!" ~ Tammy

### Does my Child Need EI?

Get an assessment.

- EI can help children that have trouble with moving, sitting, seeing, hearing, thinking, talking or playing.

EI is a partner of Help Me Grow. EI is a free service funded primarily through local levy dollars for qualifying families through The Tuscarawas County Board of Developmental Disabilities (TuscBDD). Anyone can make a referral by calling 1-800-755-4769. Visit us online at [www.tuscbdd.org](http://www.tuscbdd.org).
